

## **Áegis Living Hires Vice President of Development**

Redmond, WA (April 7, 2011) – [Aegis Living](#), a national leader in [senior living](#) and [assisted living communities](#), is pleased to announce that Michael Derr has joined the company as Vice President of Development. In this role he will manage research and logistics for future developments helping Aegis Living to grow its senior living community portfolio.

“Áegis Living is extremely pleased to have Michael Derr join our team,” says Áegis Living founder and CEO Dwayne Clark. “His knowledge and experience in development and acquisitions will be a great advantage as we move forward with new community projects. He will also serve as a great resource for the company as we look to renovate existing buildings.”

Michael is a Seattle native earning his Architecture and Graduate Business degrees from the University of Washington and Georgetown University. He has been a developer in the senior and multi-family housing industry for over 20 years working with Leisure Care, QFC and Trammel Crow Residential.
