Aegis Living Named “Best Assisted Living” & “Best Retirement Community” by 425 Magazine

The annual reader poll celebrates local favorites across the Eastside

May 4, 2023 (Bellevue, Wash.) – [Aegis Living](#), a leader in senior assisted living and memory care based in Bellevue, Wash., has been recognized in the “[2023 Best of 425](#)” awards by *425 Magazine*. The awards celebrate the best businesses, services, and places in the Eastside and Greater Seattle Area. Aegis Living was selected for both Assisted Living and Retirement Community categories by readers who voted for their favorite businesses.

"We are honored to once again be recognized by *425 Magazine* readers," said Dwayne J. Clark, founder and CEO of Aegis Living. "We have served the Eastside community for more than 25 years as a family-owned business. Our commitment and passion for our residents runs deep and we are thrilled to see the hard work and dedication of each team recognized."

Aegis Living currently operates 21 assisted living and memory care communities throughout the Puget Sound region, including 10 Eastside locations in Bellevue, Kirkland, Issaquah, Redmond, Mercer Island, and Newcastle. Its communities are designed to provide the highest quality of care and ensure residents live each day to the fullest, with amenities such as 24-hour care staff, upscale culinary experiences, onsite health and wellness programming, and a variety of life-enriching activities each day.

"Each year, we strive to be even better than the last," noted Sandra Preyale, president of Aegis Living. "The feedback and support from the communities we serve allows us to continue the incredibly important work we do each day."

Since its founding, Aegis Living has been recognized with industry accolades such as US News & World Report's "Best Senior Living Communities," Fortune's "Best Workplaces in Aging Services," and many more. The company currently has several new properties in development across the Puget Sound. For more information, visit www.aegisliving.com.

About Aegis Living

[Aegis Living](#) is a leading provider of assisted living and memory care based in Bellevue, Washington and serving residents along the West Coast. For more than 25 years, Aegis has been known for transforming senior living and creating communities and experiences where residents can live life to the fullest. The company prides itself in supporting residents along the continuum of care, from light assistance to advanced dementia; innovative and life enriching programming; upscale, purpose-built design; and an employee-centric company culture. Aegis is privately held and currently operates 36 communities in Washington, California, and Nevada, with a number of additional communities in development.
