

FREE IN-PERSON EVENT AT AEGIS LIVING VENTURA

A Loving Approach to Challenging Dementia Behaviors

Laura Wayman, known as "The Dementia Whisperer," will be sharing tips and techniques particularly helpful for those who are caring for a loved one experiencing memory loss.

Laura will cover the root causes of common behavior changes in people with dementia and how to respond more effectively. This session can be valuable for family members, caregivers, first responders, and physicians.

A complimentary copy of her book, *A Loving Approach To Dementia Care*, will be provided to each attendee.

Event location: Aegis Living Ventura
4964 Telegraph Road
Ventura, CA 93003

We'll be serving delicious appetizers and drinks!
